The Indian Institute of Management Ranchi takes immense pride in announcing completion of its Final Placements for the 2015-17 batch with 91 companies including 59 first time recruiters extending placement offers to students. With this placement season, 2015-17 batch has continued on the legacy from last year. The Placement season 2016-17, the sixth in the history of IIM Ranchi, boasted a rising trend in the highest, average and median pay packages despite the economic slowdown. The institute also has had the opportunity of hosting some of the biggest names in the industry, offering some of the most sought after profiles to the students. At the heart of this achievement we would like to thank our recruiters, alumni, faculty, staff and all the other stakeholders, who have supported and trusted us in achieving stellar placements this season.
